

***STATICO* ESD Products - Wrist Straps**

S1003/S1004: Adjustable Wrist Grounding Strap

Adjustable wrist grounding strap in Maroon color, an alligator clip, and a 6ft or 12ft coil cord.

Meets ANSI/ESD Standard S-1.1-2013 & ANSI/ESD S20.20-2014.

S0101: Adjustable Wrist Strap

Adjustable wrist grounding strap in Blue color, an alligator clip, and a 6ft coil cord, 4mm Snap.

Meets ANSI/ESD S1.1-2013 & ANSI/ESD S20.20-2014.

S1030: Wrist Strap/Table Mat Common Point Grounding Cord

S1030 Series is a heavy duty 15' long low-profile wrist strap/table mat Common Point Grounding (CPG) cord with two banana plug receptacles. This product can be snapped on the mat or can be mounted beneath the workbench. It has no resistor and provides a direct pass to the ground.

S1040: Floor Mat Grounding Cord

S1040 Series is a Floor Mat/Runner Grounding 15' long straight Cord. It is constructed with specially designed hooded molded plastic termination with a 3/8" (10mm) Female Socket or Male Stud, and a 1 Megohm current limiting safety resistor at one end, and a soldered # 10 Ring Terminal at the other end.
